HYDRA-BOOM 1400

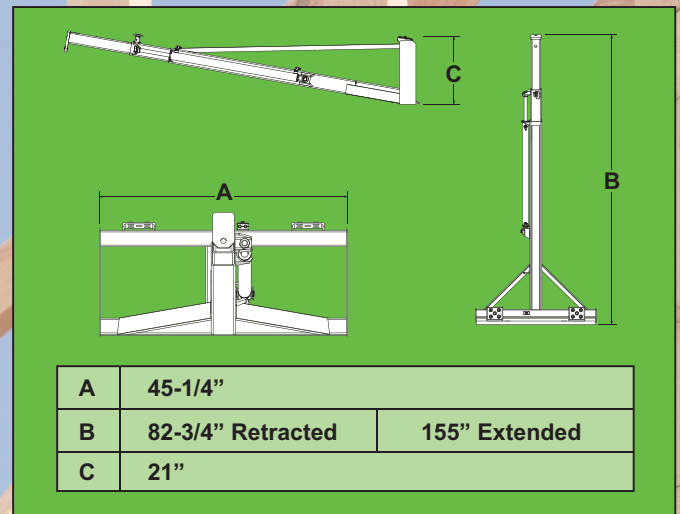

With a Hydra Boom 1400, turn your skid loader into a small crane! Great for setting trusses or just putting some reach on you skid loader. Reach up to 24' with your skid loader.

Features

- 13' total reach with 3' hydraulic stage and 3' manual stage
- Retracts under 7'
- Rated at 2000 lb. retracted and 300 lb. fully extended
- Recommended to have a minimum of a 2000 lb. rated skid loader capacity
- Non-slip steps added for safety and frame strength
- Hoses and flat face couplings standard
